

**VILLAGE OF MAMARONECK
PLANNING BOARD APPLICATION AND INSTRUCTIONS
FOR SUBDIVISION APPROVAL**

1. It is the applicant's responsibility to complete this application carefully and to provide, together with the application, all the necessary information, including certified plans, surveys, photographs, maps and proof supporting your application. Failure to submit certified drawings and a survey within the past 12 months by a licensed surveyor that accurately depicts the current condition and status of the property, or any other information, will only delay your application, since the Board cannot review incomplete applications.
2. All applications to the Planning Board are to be submitted to the Building Department. The Building Department will determine the amount of and collect the fees to be paid in connection with the application. Plans will be reviewed for conformance to the Village Zoning Code and applicable building codes to the satisfaction of the Building Inspector.
3. Applications for subdivision approval must meet the requirements of Chapter A348 of the Village Code and be submitted at least (12) days in advance of the next Planning Board meeting.
4. Planning Board Meetings are regularly scheduled for the Second and Fourth Wednesday of each month at 7:00 pm in the Village Hall located at 169 Mt. Pleasant Avenue, Mamaroneck, New York. There are **NO** meetings scheduled in the month of August.
5. Thirteen (13) Copies of a full application accompanied by a digital copy, supporting plans, surveys, and other documents shall be filed with the Building Department, along with the prescribed fees. (All applications must be individually collated.)
6. Public Hearing and Notice Requirements
 - 6a. A public hearing shall be held by the Planning Board on any application for approval of a subdivision plat. Notice of such hearing shall be published by the Planning Board in one issue of the official newspaper of the Village and posted in at least three prominent places in the Village at least five days preceding the date of the hearing.
 - 6b. The applicant, in addition to any other notice required by law, shall notify, in writing, all property owners within 200 feet of any boundary line of the proposed site affected by the pending application.
 - 6c. The notification referred to above shall consist of a complete and accurate copy of the subdivision application submitted, the date(s) of any public hearing scheduled and a brief description of the nature of the proposed application. The notification shall be served personally or by certified mail, return receipt requested, upon all affected property owners at least 10 days prior to the scheduled public hearing date, and an affidavit of service shall be filed with the Secretary of the Planning Board at least five days prior to the scheduled public hearing date. In the event that service is effectuated by certified mail, then the return receipt shall be submitted to the Planning Board at the first hearing date.
 - 6d. The sub divider shall display prominently on his property, for one week preceding the date of public hearing, at least one sign two feet by three feet in size and consisting of sturdy and serviceable material containing a white background with black letters and shall read as follows, in legible lettering at least two inches high. Said sign must say "**ON THIS SITE A (describe action set forth in the application) IS**

PROPOSED. THIS MATTER WILL BE DISCUSSED AT A PLANNING BOARD MEETING ON (give date) AT (give time) AT (give location)." The applicant shall update the sign at least two weeks prior to every Board meeting in which the applicant's matter will be heard. The sign shall be in full public view from the street and not more than 30 feet there from.

Failure to comply with any of the provisions hereof shall be a basis for denying any approval sought by the applicant.

7. At the time of submission of an application to the Village Planning Board the applicant shall be required to deposit funds with the Village sufficient to reimburse the Village for all reasonable costs of planning, environmental, engineering, legal, architectural, accounting and/or other consultants deemed appropriate by the Planning Board utilized in connection with the review of the application. When an application is filed, the Building Inspector shall fix the amount of the initial deposit (escrow) to be made by the applicant. If at any time during the review process the amount of the escrow account falls below 50% of the initial escrow, then the applicant shall be required to submit an additional deposit to bring the total escrow up to the full amount of the initial deposit (as determined by the Building Inspector). In the event an applicant fails to make any escrow payment required and/or fails to pay the full amount billed for consultant fees, the Planning Board shall adjourn any pending application and/or withhold final approval until such payment is made. In the event final approval has been granted and an outstanding balance for consulting fees remains unpaid, the Building Inspector shall not grant a building permit and/or certificate of occupancy until payment of approved outstanding consulting fees has been made in full. **NO MEETINGS WITH ANY CONSULTANT CAN BE HELD UNTIL AN ESCROW ACCOUNT HAS BEEN ESTABLISHED.**
